Dear Mrs. Hansen,

Thank you for coming to meet with the Environmental Club after school yesterday to talk with us about our concern that there are not enough bike racks at SPMS. The club feels that if we had even one more bike rack that would be great! Currently there are so many bikes on the racks every day that we sometimes have to lean our bikes up against other bikes. We would greatly appreciate it if you would order another rack for the front of the school. As members of the Environmental Club we both make an effort to reduce our carbon footprint, and we both ride our bikes to school every chance we get.

Please let us know if you will be able to buy another bike rack for the school. Thank you for supporting our club's ideas in the past, and we are hopeful that you will come through for us again!

Sincerely,
